

Air conditioning hoses

Application: R134a refrigerants, cooling systems, mineral oil PAG's

Tube: Black, smooth, special syntetic rubber, low permeation

Surface: Low permeation polyamide

Reinforcement: Two flexible synthetic braids

Cover: Black, special, oil and heat resistant synthetic rubber

Temperature range: -30°C do 125°C

Meets: SAE J2064 Type C, class 1, J51
